

## **Interview with a Wycliffian**

- 500 – 1500 words
- Hi-resolution (at least 1MB) jpeg photo of you (and your work if appropriate).

### Areas to cover

1. Tell us briefly about your role and what you currently do
2. What you studied at school and then university
3. Favourite memories of school / particularly inspirational teacher / how it helped with your career / what you found most challenging at school.
4. Was sport important to you at school and do you still manage to play a sport?
5. How you started your career and perhaps how others could get started now
6. How has your career evolved?
7. What have you enjoyed most / found the most challenging?
8. Would you be willing to offer advice, help with interview skills, provide mentoring support to a recent leaver, could you offer work experience?

Please email your Wycliffian interview to [TWS@wycliffe.co.uk](mailto:TWS@wycliffe.co.uk)

Articles supplied to us are subject to editorial approval. The TWS team may edit your piece to craft something that is the right tone and length for the publication. The editor has the final say on the final proof, though we endeavour to take into account your preferences where appropriate. The article will also be used on our website and may be used on social media.
